 Japanese students are returning to our area and they are looking for
 host families. Financial compensation is provided. Please see the
 advertisement at the welcome center for more info. Families who have
 hosted last time include the Howard's, Hoffman's and Bradley's. Just
 call Kei at 325-3257 to find out farther information and restrictions.

**Pastor Lindsay would like to thank all who blessed
 him last Sunday on his birthday. He enjoyed seeing
 all those who were able to make it to the restaurant
 following the morning service. We had about 70
 people present. Since it was a surprise, we tried
 contacting people mainly through email. If we don't
 have your current email address, please let the office
 know. We would hate to miss you next time.**
